

“Thank you for the opportunity to gain more understanding of the many aspects of healthcare.”

Berkshire AHEC Health Scholars' Program

*In collaboration with
Berkshire Community College*

The Berkshire AHEC Health Scholars' @ BCC is a program for health careers students interested in supplementing their education by gaining additional knowledge and experience in local community needs.

About Berkshire AHEC: A member of the MassAHEC Network

Berkshire Area Health Education Center (AHEC) is part of the statewide MassAHEC Network at the University of Massachusetts Medical School. There are over 220 AHECs throughout the U.S., with six in Massachusetts. Berkshire AHEC, founded in 1979, is actively involved in medical education, continuing professional development and education for health & human service professionals, and community based coalitions.

This project is supported by HRSA Grant No. U77HP03016 from the Health Resources and Services Administration of the US Dept. of Health and Human Services. This information should not be construed as the official position or policy of, nor any endorsements be inferred by HRSA, HHS or the US Government. Berkshire AHEC is a member of the MassAHEC Network, a program of UMass Medical School.
